Contracting Officer

Reference: Contract [REDACTED] FOIAb3a

Subject: General Provisions

Gentlemen:

In compliance with the General Provisions of subject contract, we offer certifications as detailed below.

Article 24 - Patent Rights -- Contractor certifies that no inventions resulted from or were first reduced to practice in the performance of subject contract, and no patent applications will be made.

Article 25 - Reporting of Royalties -- Contractor certifies that no royalties have been paid in connection with the work performed.

Article 38 - Government-Furnished Property -- Contractor certifies that all Government-Furnished Property has been accounted for as per residual listing supplied with our letter of 24 February 1960, or expended for proper purposes and in reasonable amounts in the performance of subject contract.

Very truly yours,

[REDACTED]

Vice President and
Treasurer
